Yangelia street, 22, Kyiv, Ukraine

yarfilyk@gmail.com

Skype: westsider.

## Professional Profile

Backend developer, passionate about Ruby. Confident and fast learning guy, oriented on results and performance. While I'm not bringing websites to life, I'm usually playing the guitar dreaming to make a garage band from my friends. Developed wide range of web applications and even apps for Facebook and Vkontakte social networks.
