Profile:

I am a full-stack web developer, passionate about Ruby. Confident and fast learning guy, oriented on results and performance. While I'm not bringing websites to life, I'm usually playing the guitar dreaming to make a garage band from my friends.

Now I want to achieve high career growth through a continuous learning process and keep myself dynamic, visionary and competitive with the changing scenario of the world

Skills Summary

- Ruby (Ruby on Rails, Sinatra)
- HTML (HAML, Slim)
- Bootstrap
- Javascript (CoffeeScript)
- CSS (SCSS)
